

# 1<sup>st</sup> Florence-Paris Workshop on Mathematical Finance

27-29 October 2021  
Novoli Campus

The workshop aims at reactivating exchanges between European researchers in financial mathematics after the COVID crisis.

Participation is open to invited speakers and junior researchers, up to the capacity dictated by sanitary restrictions.

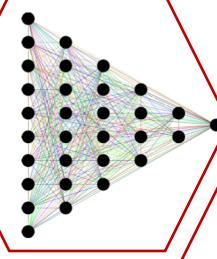

With the support of  
DISEI  
University of Firenze,  
ENSIIE,  
Institut Louis Bachelier,  
LaMME Université  
d'Evry Val d'Essonne.
