Work experience and relevant projects

AUGUST 2021-ongoing | Research Grant "Gli sviluppi del debito estero del Kenya attraverso i dati degli organismi internazionali e del Governo" | Dipartimento di Scienze Politiche e Sociali, UNIPV | Agenzia Italiana per la Cooperazione allo Sviluppo

Currently I am working within a research project on the Kenya Italy Debt for Development Swap, directed by Prof. Enrica Chiappero on behalf of the Italian Agency for Cooperation and Development. In particular, me and Professor Vaggi are in charge of the macro analysis of the debt dynamics in Kenya and how the debt for development swap instrument could help to mitigate indebtment.

Other relevant experiences

2017- ongoing | Vicepresidente Diocesano Settore Giovani, Azione Cattolica Pavia

I am an educator for Azione Cattolica Pavia since 2014. In 2017 I've been elected as Vicepresidente Diocesano di Settore Giovani. Currently I am at the second mandate. Settore Giovani is a team of many educators that each year proposes educational paths for the age-group 14-18, and I am in charge of the main responsibility. This experience helped me to develop many skills as teamworking, teamleading, to talk in public and problem solving. Also, to entertain young age people requires fantasy, empathy and improvisation skills, all things that I suppose to have developed.

2013- ongoing | Caritas Pavia Collaborator

2013-2015 Collaborator for “Mensa del Povero”

2017-ongoing Collaborator for Dormitorio Pavia, also, every summer with a team we go to Naples to help Rom Community in Scampia

2020-ongoing Italian Language Teacher for Casa Del Giovane.
