

# Laura Colli

## PROFESSIONAL PROFILE

I recently graduated in October 2023 with 110/110 at the University of Florence with a thesis about the relation between shocks and food security in Myanmar.

I'm a passionate and hard working student, and a diligent and creative worker, with a strong interest in the field of research, impact analysis and policy making.

Even though I specialized in the Economic field, I have a deep engagement in social problems and this allows me to have a well rounded approach to issues
